

## Position Type

Part Time

## American Red Cross Water Safety Instructor

Annette's Swim School

### General Description

All instructors must obtain their ARC Water Safety Instructor certification prior to teaching swim lessons. Qualified applicants without a WSI certification are eligible for assistance in obtaining their certification & will assist other instructors as they train.

*The Instructor's responsibilities include:*

- The safety of all participants in their class.
- Traveling to & from community pools & private homes.
- Working hours as scheduled; including: beginning and ending class on time; remaining after class to answer participant and/or parent questions, & cleaning up supplies.
- Instructing & evaluating students according to the ARC "Learn-To-Swim" program.
- Track student development & submit completed report cards to the American Red Cross.
- Identifying possible water safety issues in homes & educating parents.
- Act immediately and appropriately to secure the safety of patrons in the event of emergency. You will be covered by liability insurance & have American Red Cross training.
- Present a professional appearance and attitude at all times.

### Qualifications

*Instructors must:*

- Demonstrate knowledge of swim lesson instruction & the ARC Learn-to-Swim Program.
- Demonstrate the physical skills required for class content & the use of teaching aids such as kickboards, diving rings, lifejackets, etc.
- Work independently with energy and enthusiasm.
- Interact positively with the general public, (*this can be harder than it sounds*).
- Pass a criminal background check.
- Have Fun.

Previous aquatic experience; Life Guarding; WSI; CPR & First Aid certifications preferred, but not required.

### Schedule and Location

Lessons are available every day at community pools and/or private homes in the Greater Boca Raton area.
